

Homelessness in New South Wales: Key facts

People experiencing homelessness can have a varied range of **complex** legal and other issues that, when not dealt with, can further exacerbate this experience.¹ Information on homelessness can therefore play a **vital role** in the planning of legal assistance services across Australia. People experiencing, or at risk of, homelessness are one of the **priority groups** under the **National Partnership Agreement on Legal Assistance Services**. The Foundation has recently updated the **2018 Collaborative Planning Resource** to include data from the Australian Bureau of Statistics "Estimating Homelessness" data release in March 2018 to assist with collaborative service planning. This infographic presents some **key facts** on homelessness.
